**COSTUME:** Periwinkle Leo attached tutu

\*Hang skirt upside down to help the Tutu Fluff Up! :) (can steam if needed)

## Accessories:

1. Silver hair bow ~ Clip-in & Bobby Pin into Front of high bun, centered.

**TIGHTS:** Tan Footed ~ Included & going home today! Same tights for Recital.  
And I ALWAYS have extra in stock if something happens to them

**SHOES:** Shiny Black Tap Shoes

## **HAIR: HIGH BUN**

— ALL DANCERS WEAR HAIR IN A HIGH BUN!!! (A step-by-step tutorial video on our Recital tab of website and Molly Dies’ Dance Unlimited YouTube channel, and on FB page)

- Girls & Boys with short hair must pull their hair away from the face as best can, and slick it down.
- Please, NO bangs in face ~ this is a distraction to both dancers and viewers. SLICK back with gel and hairspray! (Don’t be afraid to dampen hair, use gel, and lots of hairspray!)

**MAKEUP:** Go for it! If you’re ok with it, so are we. A little blush, a little eyeshadow, a little lip color definitely brightens up a dancer for pictures & on stage!

**NO earrings, jewelry or painted nails!!**

**PICTURE DAY = week of March 11** ~ show up TO class wearing Costume, Accessories & included Tights. Please do not wear dance shoes into building, still bring in a dance bag. Normal class time (start & end time = normal). Miss Molly will be taking all photos. Every dancer will be posed for an *individual photo, photo button, and group photo*. All the photos will be displayed on a website and yours to do as you please! Website link will be emailed out. **Photo buttons are the only “extra” thing you would purchase and will be \$5.00/button and are optional!** A photo button is a 3.5 inch button picture of the waist up. ## HAIR: HIGH BUN

— ALL DANCERS WEAR HAIR IN A HIGH BUN!!! (A step-by-step tutorial video on our Recital tab of website and Molly Dies' Dance Unlimited YouTube channel, and on FB page)

- Girls & Boys with short hair must pull their hair away from the face as best can, and slick it down.
- Please, NO bangs in face ~ this is a distraction to both dancers and viewers. SLICK back with gel and hairspray! (Don't be afraid to dampen hair, use gel, and lots of hairspray!)

MAKEUP: Go for it! If you're ok with it, so are we. A little blush, a little eyeshadow, a little lip color definitely brightens up a dancer for pictures & on stage!

**NO earrings, jewelry or painted nails!!**

**PICTURE DAY = week of March 11** ~ show up TO class wearing Costume, Accessories & included Tights. Please do not wear dance shoes into building, still bring in a dance bag. Normal class time (start & end time = normal). Miss Molly will be taking all photos. Every dancer will be posed for an *individual photo, photo button, and group photo*. All the photos will be displayed on a website and yours to do as you please! Website link will be emailed out. **Photo buttons are the only "extra" thing you would purchase and will be \$5.00/button and are optional!** A photo button is a 3.5 inch button picture of the waist up. GREAT keepsake as well as wearing during Recital!! Order form below turned in on picture day, **OR can email order AT ANYTIME!** PHOTO BUTTONS ARE AVAILABLE FOREVER!
