- Cloth Face Coverings

Cloth face coverings are meant to protect other people in case the wearer is unknowingly infected but does not have symptoms. Cloth face coverings are not surgical masks, respirators, or other medical PPE.

- *Face coverings may be challenging & cause health risks for dancers to wear during dance. So we will not be wearing them.*
- Children and Youth do not need to wear cloth face coverings in child care, youth programs, or camps, although face coverings are still recommended by the CDC.
- Note: Cloth face coverings do not have to be worn by dancer once in studio.

- Adequate Supplies

- Will be provided, including: soap, hand sanitizer with at least 60 percent alcohol, paper towels, tissues, disinfectant wipes, cloth face coverings, and no-touch trash cans.

- Signs and Messages

- Will be posted in highly visible locations that promote everyday protective measures and describe how to stop the spread of germs such as properly washing hands.
- We will broadcast and go over behaviors that prevent spread of COVID-19 with staff and dancers ~ through emails and in person.

- Cleaning and Disinfection

- We will clean and disinfect frequently touched surfaces (e.g. door handles, sink handles, barres, floor) within dance studio daily and in between classes. Use of shared objects will be limited when possible, or cleaned between use.
- We will ensure safe and correct use and storage of cleaners and disinfectants, including storing products securely away from children.
- Cleaning products will not be used near children, and adequate ventilation will be ensured when using these products to prevent children and staff from inhaling toxic fumes.
- Gloves will be used when removing garbage bags or handling and disposing of trash by staff. Hands will be washed after removing gloves.

- Shared Objects

- We will discourage sharing of items that are difficult to clean, sanitize, or disinfect
- Each dancer's belongings will be separated from others and in their own area

- **Ventilation**

- Doors will remain locked for dancers safety so as non-dancers do not enter, but we will circulate air with air purifiers and fans.

- **Water Systems**

All other classes that contained Acro, we will adapt class time for stretch, strengthening & fitness.

- **Staggered Scheduling**

- We have staggered start and end times of classes, as well as entrances and exits to the building ~ to reduce contact. While waiting outside, please adhere to social distancing rules.
- Arrival and drop-off times should go off of class start & end times, are very important to follow
- Teachers will meet all dancers, at their door of entry, at their exact start of class time ~ and will lead dancers to their door of exit (same as entry) at the exact end of class. All of our "Little Dancers" classes are located in Studio B and Miss Molly will meet all these dancers, (*Twinkletoes, Pre-K, Kinderdance, & Combo I*) at the back Studio B door upon entry and will release at their exit time to their parent/guardian one-at-a-time by alphabetical order; Combo II & up will be met by their teacher upon arrival and monitored while exiting.
