

PICTURE WEEK IS UPON US!!!!!!!!!!!!

*COSTUME: Each class got an individualized handout in their costume bag ~ with info on: **costume look/accessories/tights/shoes.***

HAIR: HIGH BUN

— ALL DANCERS WEAR HAIR IN A HIGH BUN!!! (A step-by-step tutorial video on our Recital tab of website and Molly Dies' Dance Unlimited YouTube channel, and on FB page)

- Girls & Boys with short hair must pull their hair away from the face as best can, and slick it down.
- Please, NO bangs in face ~ this is a distraction to both dancers and viewers. SLICK back with gel and hairspray! (Don't be afraid to dampen hair, use gel, and lots of hairspray!)

MAKEUP: Go for it! If you're ok with it, so are we. A little blush, a little eyeshadow, a little lipcolor definitely brightens up a dancer for pictures & on stage!
NO earrings, jewelry or painted nails!!

PICTURE DAY = week of March 27 ~ show up TO class wearing Costume, Accessories & included Tights (*Hair in high bun/makeup on/all ready to go!*). Please do not wear dance shoes into building, still bring in a dance bag.

Normal class time (start & end time = normal)

We are doing photos in-studio again this year (so no outside people in) Miss Molly poses & takes pictures. Every dancer will be posed for an individual photo, photo button, and group photo. All the photos will be displayed on a website and yours to do as you please!! Website link will be emailed out.

Photo buttons are the only "extra" thing you would purchase and are \$5.00/button and are optional! A photo button is a 3.5 inch button picture of the waist up. GREAT keepsake as well as wearing during Recital!! A photo button order form was at bottom of the costume info form in costume bag ~ or you can email your order! Photo buttons can literally be made at ANYTIME! No deadline for these. Sooner you place order, sooner you get is all :)

Easter Break = Tues. 4/4 thru Mon. 4/10, classes resume 4/11
Then there are only 3 classes left till recital!!! Try not to miss any!!
