

Westside Aquatics is Hiring Age Group Coaches

About Us

Westside Aquatics is a performance-driven aquatics program entering into its 18th year with over 200 athletes. Our mission aims to cultivate respect and appreciation for swimming & aquatic sports with an emphasis on the growth of each individual and their athletic development. Our athletes experience emotional satisfaction, a strong sense of community, and inevitable competitive success.

Job Description: Age Group Coach

This position is based in Pacific Palisades, CA, and reports to the Head Coach. You will be the day-to-day coach for selected groups and will assist as needed for other groups. You will be expected to attend meets as they occur for your groups, which is typically once a month in the Greater Los Angeles area. You will also be the primary liaison for parents of your swimmers.

You should have a practical understanding of transformational coaching and demonstrate core personal values on deck. Collaboration and positive communication are required to create a safe space for student athletes and provide support for them to become the swimmer that they want to be.

You will assist with season planning & performance development of multiple groups. You will attend staff meetings on a monthly basis and contribute to discussions about program development, technique, and swimmer promotions. You will be an integral member of a coaching staff that works closely together to ensure that each swimmer has a steady and achievable direction through our program.

Requirements: Age Group Coach

- 1-3 years coaching experience
- Must be able to pass a Level 2 Background Check
- Valid Driver's License
- Available at least three weekday afternoons/evenings (4-8pm)
- Available weekends for scheduled meets (1x month)

Preferred Qualifications: Age Group Coach

- Proficient in TeamUnify
- Have experience running dryland workouts
- Current USA Swimming Membership

Salary

This is a part-time hourly position starting at \$25/hour.
