

2025 - 2026 SPONSORSHIP OPPORTUNITIES

Who We Are

The Bellingham Bay Swim Team (BBST) is a year-round, non-profit swim club with over 160 swimmers of all ages and abilities. BBST has been an important part of the youth sports in Whatcom County for 30 years and we are excited to celebrate our 30th Anniversary Season in 2025-2026. We are committed to fostering growth in the pool and life, helping our athletes achieve their goals, and encouraging civic-mindedness.

Sponsorship Opportunities

We provide event-specific sponsorships and annual sponsorship packages for businesses and individuals, with brand visibility reaching over 160 families and the broader community. Sponsors can engage with local youth, network with community leaders, and may benefit from potential tax deductions.

The Impact of Your Support

Your generous donations directly benefit BBST swimmers and their families by:

- Keeping swimming affordable for all families.
- Expanding training opportunities by purchasing more lane space and equipment.
- Acquiring more aquatic space to support our growing swimming community.
- Supporting athletic success and investing in the next generation of passionate athletes.
