

# BISC Awards 2021

Carolyn Ackerley : Head Coach

Kate Carr: Assistant Coach

Leilani Tonsmann: Assistant Coach

# Most Inspirational

- In the past the whole team has selected the most inspirational swimmers, because all of the kids had opportunity to interact with all groups. This year kids have been divided into their groups and have not been able to spend time with kids of other practice groups, they have not been able to cheer for each other. In spite of this, there has been a lot of inspirational behavior going on. This year we are using our “sharing circle” to honor those within their practice groups who have inspired their teammates.
