The team has limited supplies of the below equipment:

- * Kickboard
- * Pull Buoy
- * Paddles
- * Fins

We can loan out these items to our swimmers but there is a limited number so we can only loan out until supplies last. Swimmers are allowed to use the fins provided by the pool but must return them after every practice. There is not enough fins for everyone to use so we encourage swimmers to get their own. Equipment in red font is recommended for those groups.

You can find all team apparel, suits, parkas, warmups and in-water equipment on our swim outlet team store
