Please read carefully through the following requirements:

1. Ongoing Financial Aid Proof of Income – families applying annually for ongoing aid must provide a copy of their most recent tax return (form 1040). If significant changes have occurred since taxes were last filed or there are other extenuating circumstances, please note them separately for consideration.
2. Temporary Financial Aid may not require proof of income but must include a description of the Extenuating Circumstance Event (ECE) that has occurred. Examples include (not limited to): death in the immediate family, unplanned medical costs, loss of income.
3. Scholarship athletes and their families are expected to be exemplary members of the team. Scholarships are subject to termination following any second offense of the Code of Conduct by either swimmer or parents. Families can reapply for financial assistance the following season and disciplinary action will follow the guidelines in the annual Team Registration Packet.
4. All financial aid requests must be made in writing by completing the West Coast Aquatics Financial Aid application and turned in to the Treasurer or President of the Board. Verbal requests will not be taken.
5. Financial aid is not to be used to cover meet entry fees, team travel trips, equipment / food purchases, private lessons or clinics.
6. Financial aid may be discontinued or reallocated for any reason (team finances, team size, new swimmers, etc.) and at any time by the Board of Directors.
7. Ongoing Financial aid amounts will be determined in September and reevaluated on a monthly basis. Any changes to family income or the ability to pay must be immediately communicated to the President or Treasurer of the Board.
8. Any dishonesty or false statements in this application will result in immediate forfeiture of Financial Aid and may result in repayment of fees, dismissal from the program and banning use of the facility.

I have read, understand and agree to the above terms.
