

USA Swimming Registration

Parents will need to create a new account and follow the prompts to link their swimmer's old USA Swimming ID. If you are new to USA Swimming, you will not have an old ID.

Please note: at the end, you will need to ensure your swimmer is at least a current Flex Athlete, is linked with WEST (see below) all through USA Swimming. Recreation swimmers do not need to be Premium Athletes.

Please follow the steps to complete your USA Swimming SWIMS registration:

New Members: Creating an Account

- 1) Go to USA Swimming website ([click here](#))
- 2) Click on Create a Login
- 3) Follow through the prompts to create a new account with an email address. You will need access to that email to use verification IDs & Enter in the PARENT'S information.
- 4) [Please watch this video from USA Swimming here](#)
- 5) [How do I create an account in SWIMS as a new member? - ARTICLE](#)

Returning Members:

If your swimmer has ever swam for USA Swimming with another club team or for WEST (competitive or Summer Team) please view the following tutorials for your convenience:
[If you are a parent about to register your child, please create your account first - ARTICLE](#)
[How to create an Account for Existing Members - VIDEO](#)

Once you have an account, you must register with WEST.

How To Register with WEST:

Register with WEST in the USA Swimming portal by clicking the link here:
<https://omr.usaswimming.org/omr/welcome/25646A15ED0B43>

For Transfer Athletes

Once in your dashboard, navigate to at the top selection bar:

Club > click on My Club from the drop down menu. Click on General > Club Transfer and fill in the following information to begin the transfer process.

Current Club: (insert your current club)

Transfer Club: WEST Coast Aquatics. (PN/WEST)

For technical support, Please contact Coach Tim at registrar@westswimteam.com for any questions or concerns!
