- The Officials Committee held the Annual All Officials Meeting on Wednesday, April 24th. The following individuals were elected to the Committee: Ed Lesnick, Nick Siripipat, Sarah Duran, Carl Baber.

- Policy & Procedures and Training Subcommittees currently working on update procedures and templates for deck positions as allowed by R9 and NOC

- There will be a motion before the committee to require Apprentice Officials to complete the APT, CPT and Background Checks prior to beginning their training sessions.

- The Officials Committee has a number of concerns over the new "Block Party" program and its violations of current USA Swimming rules relating to the running of meets. We also believe that these times should not be accepted for LSC Championship or higher meets due various USAS rule violations.
