

PNS Senior Vice Chair Report 1/22/24

With the help of Alex Reed, we have now put together **4 LCM practices at KCAC** for the top PNS athletes. For the first three we asked for futures qualifiers and above. For the most recent practice we opened it up so that if a team doesn't have futures qualifiers, they could send their top 1-2 sectional qualifiers. It's been a great chance for athletes to workout with athletes & coaches outside of their teams. It's also been great to see the coaches come together to learn from each other and different athletes.

Below are the dates we've offered the practice so far and the size of the rosters each time:

1/21: 63
12/30: 42
11/25: 46
11/5: 49

I asked for **Season 1 travel reimbursement** requests by this past Saturday, January 20st. Some of the files I have said it was due that day. Unfortunately, the website says it's not due until April 26th. I am planning to let the coaches know that I will accept requests through the end of the month, due to the conflicting dates.

Thanks!

Garrett McCaffrey
