

PROGRAM OPS BOARD OF DIRECTORS REPORT

1) OCA has stepped up to take on the LC AG Champs Meet. Special thanks to Alice and the OCA Boosters (and Suzanne for coordinating with them). We are allowing Finals Volunteer Requirements for this meet (this is not going to be a long term exception but what we felt was needed to ensure we found a meet host).

2) We are collecting Bid Submittals and Suzanne (Scheduling Com Chair) is putting together the meet calendar for the upcoming year. TPC has decided to move away from the Challenge Meet series to focus on being able to find Meet Hosts for AGIs, Champs Meets, and Spring Showdown Meets.

3) Block Party Meets are a new thing that USA Swimming has strolled out. Already had one with BCST and OCA. Interested to hear how that went. But we do need to be aware of this due to the potential financial impact on the LSCs Budget.
