

Under Meet Results on the PNS site we have a [Meet Director Tool Box](#) with many resources. A few to call your attention to:

[ON-LINE REPORT OF OCCURRENCE FORM](#)

The Report of Occurrence shall be submitted by the coach, official or someone affiliated with the club/facility any time there is an accident or injury during any USA Swimming activities such as Sanctioned or Approved swim meets, Please cc safesport@pns.org when submitting an occurrence.

[Minor Athlete Abuse Prevention Policy - MAAPP](#)

Everyone should be familiar with MAAPP but it is worth reading for a refresher to ensure you are adhering to the policy.

[Safe Sport Pre-Meet Assessment](#)

[Meet Marshal Instructions](#)

[Meet Marshal Safety Cards](#)

Some teams have printed these out, laminated them and attached them to lanyards so deck marshals can easily refer to them.

[Safe Sport Locker Room Posters](#)

[Safe Sport No Cameras Posters](#)

[Safe Sport Meet Announcements](#)

Read through and see what works best for your meet. I would suggest picking one or two and being consistent with that message throughout the meet.
