Pentathlons: went smoothly...necessary changes:

- 10 & under in the AM, 11 & over in the afternoon
- DQ in an event: no longer in the running for total award
- Certificates provided by PNS for 2nd-6th place overall

Age Group Invitational

- It was decided that a 3rd host was needed for February (since meeting, Salmon Bay has stepped into that role)
- Ribbons: 1-6 place

PNS Champs

- The Group shared comments about the positive and negatives of the meet. Comments included: overall split was good, but camaraderie was missed, 1650 time standard too fast, time standards were good, need a little more time in finals, and the goals of the meets were met.
- Warm-up changes: @ 8 AM, open up lanes 2/7 for sprint lanes (state in meet information), warm-ups may start @ 3:30 with meet starting @ 4:30 (state in meet information).
- Positive check in: 15 minutes after the conclusion of the coaches meeting
- Bonus swims: stick with one for this year
- 1650's: 14 & under time standard, scored separately, swum separately
- Awards: presented, awards for distance presented at relay break, blocks should be around corner of pool

Senior Champs:

- Add "C" heat to finals
- Finals may start no early than 5:00 PM
