

Hello everyone! My name is Priscilla Min and I am currently finishing my sophomore year at Wheaton College in Illinois. I am an English and Education double major.

My time at Wheaton has been impactful in more than just swimming and academics, but also in the relationships I have been able to build along the college journey. I had always thought I would never be able to find another family as the one Dana and PASA made possible for me from my childhood through my high school years. Thankfully Wheaton's team has become that family, but that does not mean I have forgotten the one at home. Coming home to swim for PASA has always been a pleasure and honor for me, and I will continue to do so for as long as I can. (Side note: the picture on the bottom left is how many Asians are on the Wheaton swim team, no joke, I was shocked when I met the team for the first time)
