

My name is Riley Scanlan and I am a sophomore at Southern Methodist University in Dallas, Texas. I am majoring in Business and Pre-Law with possible minors in Sports Management and Creative Computing.

I am a 2nd year member of the Peruna Handlers. We lead our live mascot (a Shetland pony named Peruna) at football games and appearances. It is so much fun to run across the field with him after every touchdown!

I am also on the University Conduct Board, which is comprised of faculty, staff, and students, that hears cases involving the alleged violation of the Student Code of Conduct.

Additionally, I am a Student Wellness Ambassador. We are trained to educate the residential commons and campus community about college lifestyle and wellness issues in a positive, interactive, fun, and nonjudgmental manner.

Finally, I am the Vice-President and player on the Ultimate Frisbee Club Team and a member of the Beta Upsilon Chi fraternity. Ultimate has been a great way to stay in shape and I am so thankful for the community of Beta Upsilon Chi.

Swimming takes a lot of discipline and organization, trying to balance school, social and sport. This focus helped me with my transition to college. I love my new experiences and probably the biggest highlight so far was meeting former President George W. and Laura Bush (she is an SMU alumni)! Pony Up!
