

My name is Claire Lin and I'm a sophomore at Columbia University in New York City, class of 2022. I am majoring in Mathematics with a concentration in History (Modern European and East Asian). Columbia is a perfect school for me because of the diverse curriculum and varied interests and passions of the student body. Currently, I am a swim team representative for SAAC (student athlete advisor committee) and last summer I studied abroad in Venice, Italy. I

definitely wouldn't be here without PASA and especially the coaches at DKS teaching me about devotion, sacrifice, and time management. DKS also forms a community and friendship that I'm still connected to today. I'm very grateful to be a Division I student-athlete at Columbia thanks to the program and dedication of the PASA community.
