Concepts & Areas of Focus

- ❖ The senior group is a progression from our Senior Prep program with approval from the coaching staff, specifically coach Jeff King
- ❖ Swimmers should tain 5 practices or more per week
- ❖ Swimmers may participate in other sports but are dedicated to swimming and the many things it requires for success
- ❖ The season is split into three parts; short course seasons in fall and winter and long course season spring and summer
- ❖ Additional practices may be added when available

Goals & Focus:

- ❖ Swimmers set practice, meet, and post high school goals
- ❖ Swimmers track types of food they eat, hydration level, how much sleep they get and how those variables relate to practice and racing performance.
- ❖ Swimmers should be proactive about training schedules and communicate when they will miss and how they plan on making the practice up.
