

April FISH of the Month - Alice Wang

Alice Wang is your April FISH of the Month! The FISH staff have seen Alice push herself and her teammates to be the best athletes they can be. She brings smiles, determination, and excitement to every practice!

Alice is eight years old, but you would never know based on her maturity and conscientious swimming. Whenever a coach gives her advice, she utilizes it automatically. She also has stellar underwaters!

At the 2019 Mini Championships, Alice got four best times and was a force to be reckoned with on both the freestyle and medley relays. We see this as one step in what has been a fast, successful season. We are looking forward to seeing what is ahead for this strong, fierce swimmer.

Quick Response Questions:

- Favorite stroke?
 - Backstroke! (But check out her beautiful fly sometime!)
- Favorite post-meet snack or meal?
 - Toast
- Favorite phrase?
 - Good job!
- What does FISH mean to you?
