

Congratulations to our December FISH of the Month, Courtney Moretz!

December's Fish of the Month is Courtney Moretz! This is her first year on FISH, training with the Advanced Age Group at Audrey Moore. Courtney had a fantastic December championship meet, making her first FISH finals debut at the RMSC Riley Eaton Holiday Championship. She made finals in all 6 of her entered events, 50, 100, and 200 free; 100 breast, 50 fly, and 100 IM. She medaled (top 3) in 4 of those championship finals.

As a sprint freestyler, Courtney's favorite event is the 100 free. She enjoys practicing with her friends; the girls in her lane are in constant chatter and keep the atmosphere at practice fun and enjoyable. But when the set begins, Courtney does a great job of staying on task and giving her best throughout every round. Her strong work ethic and attention to detail has made her swimming fun to watch and given her the experience she needs to excel in those big meets!

Favorite event: 100 free

Favorite FISH memory: practicing with friends

Favorite dessert: macarons

Favorite thing to do out of the water: build a snowman!
