

December FISH of the Month:

Cullen Dean

Congratulations to Cullen Dean, the December 2019 FISH of the Month. Eight-year-old Cullen began swimming at age 5 with the Summerset Old Creek Swim Team. He joined the FISH in September of 2017 and has continued to improve each season.

In December, Cullen made tremendous gains with best times in every event he swam. This included swimming two events he had not competed in before, the 50 fly and the 100 IM! In his other four events, he dropped a total of 31 seconds!

In practice, Cullen works extremely hard and focuses on improving his strokes. He displays excellent leadership by leading his lane. He knows how to read a pace clock which helps keeping the entire lane on task. He is always ready for a challenge. Cullen wanted to swim the 200 IM in the holiday practice time trials. His time of 3:45 was amazing!

Quick Questions with Cullen:

1. What is your favorite event and why?

A: My favorite event is the 200 IM, because I like to swim both the 50 fly and 50 back.

2. What do you want to be when you grow up?

A: I want to be an Electrical Engineer.

3. What do you like to do when you are not swimming?

A: I like to pet and play with my dog when I am not swimming.

4. Who is your favorite super hero?

A: My favorite super hero is Falcon.
