

October FISH of the Month  
Ethan Shin

Congratulations to Ethan Shin, our October FISH of the Month. Ethan's outstanding start to the season has impressed both his coaches and his teammates, and sets an exciting tone for what he can accomplish by the spring. Ethan is in his fourth season with the FISH, and is currently swimming with Terrific FISH. In his first three meets of the season, Ethan has managed a best time in every event he has swum (a total of 17 best times this year!) and has qualified for J.O.'s in almost every event offered for his age group (13 out of 15 events).

And while Ethan is motivated by going best times at meets, he is even more motivated by getting his hand on the wall before anyone else. At his kickoff meet, the Harvest Moon, Ethan placed 1<sup>st</sup> overall in the 11 Year Old Half Moon category, winning 5 of his individual events. With most of the season still to go, Ethan has set his sights on qualifying for the Elite Showcase Classic, which is held every April in St. Petersburg, Florida.

We are very proud of the hard work Ethan has put in at practice and all he has accomplished so far. As a coaching staff we are excited to see what else Ethan can do this season and beyond.
