

TOLLEFSON SWIMMING

The Greatest Stroke Instruction and Training Anywhere

2024 – 2025 TOLL Expectations

All TOLL swimmers are expected to:

1. Adhere to training requirement throughout the season.
2. Attend meets consistently.
3. Be punctual at all training, meets, and other team activities.
4. Have all required equipment at training.
5. Show respect for teammates, coaches, officials, timers, and swimmers from other teams.
6. Give their best effort in training and at meets.
7. Have a positive and supportive attitude in training and at meets.
8. Respect pools, locker rooms, team equipment, and other swimmers' property.
9. Consistently improve commitment level and training/racing ability from season to season.
10. Understand the importance of the "Team". (Parents are also expected to volunteer for meets and activities, including official, timer, social event coordinator.)
11. Demonstrate appropriate meet behavior and show maturity in training and at meets.
12. Understand and take responsibility for attendance and performance, habits in training and how these relate to meet performance.
13. Compete at the highest level of competition qualified.
14. Take leadership positions as positive role modeling for all teammates.
15. Adhere to Safe Sport policies (both swimmers and parents). This includes Safe Sport training for parents and swimmers and Minor Athlete Abuse Prevention Policy.

If a swimmer is not making their practice requirement or otherwise not meeting TOLL expectations as described above, the coach will follow up as described by the following steps:

1. First step: Discussion with the swimmer about group expectations and commitment.
2. Second step: Discussion with the swimmer and parent(s) about group expectations and commitment.
3. Third step: Swimmer may be placed in a different group or dismissed from the team.

Please note that we will offer summer training in June and July for swimmers returning in the fall. Please see group descriptions below for more information about each group.

Please note the Georgetown Prep pool will not be available part or all of some days during the season due to school activities at Prep. For some of these dates, we may provide practice for some of the groups at an alternate site. We will adjust the practice requirements based on pool closure dates at Prep. For some groups, the winter schedule may affect the number of practices offered. Coaches will communicate to swimmers the practice requirement for the winter schedule. We do not guarantee a makeup practice if a practice is cancelled due to weather or blackout.

Participation on TOLL is by approval of the coaching staff. Swimmers new to the team please contact us to schedule a try-out at henry@tolleffsonswimming.com. All practices are at Georgetown Prep, Wildwood Manor or St. Albans except when noted. Fees may be paid in full at registration; or \$400 registration fee at registration and balance 1/3 September 1st, 1/3 October 1st, and 1/3 November 1st. The \$400 fee is non-refundable and non-transferable and goes towards the annual dues.

Fees must be paid through the Team Unify website and you must add a credit card for automatic withdrawal. Team Unify Season Fees cover all training sessions, some meets (see meet schedule), dryland, apparel, and some social activities. Separately, families are responsible for meet fees (see meet schedule), USA Swimming registration fee, purchase of mandatory practice equipment, and some elective social events. We do not offer refunds if a swimmer withdraws from the team during the season. Families will be billed automatically through Team Unify for meet fees either directly before or after the meet.

TOLL Group Descriptions

Minis

TOLL Minis is for novice swimmers who are proficient in all 4 strokes, starts, turns, and finishes. Emphasis in training is technical development, fun, and learning how to race. Minis competitive season begins in September and ends with Mini Champs in March. Expected training attendance is from September through May. Minis swimmers are expected to build and improve habits that will carry them through their swimming careers including technical development, sportsmanship, work ethic, and a season-long commitment.

Junior

TOLL Junior is for developing junior swimmers who are proficient in all 4 strokes, starts, turns, and finishes. Emphasis in training is technical development, fun, developing racing strategies, and building endurance. Junior competitive season begins in September and ends in July. Expected training attendance is from September through May. Junior swimmers are expected to continue to build and improve habits that will help prepare them for age group swimming including technical development, sportsmanship, work ethic, a season-long commitment, and building endurance.

Junior Select

TOLL Junior Select is for advanced junior swimmers who are proficient in all 4 strokes, starts, turns, and finishes. Emphasis in training is technical development, fun, developing racing strategies, and building endurance. Junior Select competitive season begins in September and ends in July. Expected training attendance is from September through May. Junior Select swimmers are expected to continue to build and improve habits that will help prepare them for age group swimming including technical development, sportsmanship, work ethic, a season-long commitment, and building endurance. Junior Select swimmers are expected to compete in IM Ready (IMR) events throughout the season (100 Free, 50 Back, 50 Breast, 50 Fly, and 200 IM for 9-10s).

Age Group Advanced (AGA)

TOLL AGA is for swimmers who are proficient in all 4 strokes, starts, turns, and finishes. AGA swimmers have graduated from our junior groups and not yet ready for our high school groups. Emphasis in training is continued technical development, fun, developing racing strategies, and building endurance for longer events. AGA competitive season begins in September and ends in July. Expected training attendance is from September through May. AGD swimmers are expected to build and improve habits that will help prepare them for senior swimming including following a training plan, competing in longer events, work ethic, and a season-long commitment.

Age Group Select (AGS)

TOLL AGS is for advanced age group swimmers who are proficient in all 4 strokes, starts, turns, and finishes. AGS swimmers have graduated from our junior groups and not yet ready for our high school groups. Emphasis in training is continued technical development, fun, developing racing strategies, and building endurance for longer events. AGS competitive season begins in September and ends in July. Expected training attendance is from September through July. AGS swimmers are expected to build and improve habits that will help prepare them for senior (15&over) swimming including following a training plan, competing in longer events, work ethic, and a season-long commitment. AGS swimmers are expected to compete in IMX events throughout the season.

Age Group Elite (AGE)

TOLL AGE is for advanced age group swimmers (14&U) who are serious, committed athletes. Emphasis in training is aerobic development, developing racing strategies, and preparation for transitioning to senior level swimming. AGE competitive season begins in September and ends in July. Expected training attendance is from September through July. AGE swimmers have swimming as their primary non-academic activity and are focused on qualifying for regional and national championship meets such as Junior Olympics (JOs), IMX, Eastern Zones, and other national-level championship meets. AGE swimmers are mature, committed swimmers who are expected to implement and follow a training plan, compete in longer events, and understand the season-long commitment. Swimmers are selected for AGE by the coach based on speed, skill, commitment to the sport, as well as overall maturity. AGE swimmers are expected to compete in IM Xtreme (IMX) events throughout the season (11-12: 500 Free, 100 Back, 100 Breast, 100 Fly, and 200 IM. 13-14: 500 Free, 200 Back, 200 Breast, 200 Fly, 200 IM, and 400 IM).

Senior

Senior Group is for swimmers ages 13 and over. Emphasis in training is aerobic development, developing racing strategies, and preparation for transitioning to our other senior groups in future seasons. Senior competitive season begins in September and ends in July. Expected training attendance is from September through July. Senior swimmers are expected to build and improve habits that will help prepare them for senior swimming including following a training plan, competing in longer events, developing a strong work ethic, and a season-long commitment.

Senior Advanced (SA)

Senior Advanced (SA) is for advanced swimmers ages 13 and over. Emphasis in training is aerobic development, developing racing strategies, and preparation for transitioning to T or O group in future seasons. SD competitive season begins in September and ends in July. Expected training attendance is from September through July. SD swimmers are expected to build and improve habits that will help prepare them for senior swimming including following a training plan, competing in longer events, developing a strong work ethic, and a season-long commitment. SA swimmers are expected to complete the 13-14 IMX events and work towards qualifying for IMX. SA required time standards to enter the group and has an increased commitment level compared to Senior Group.

Senior Select (SS)

TOLL Senior Select (SS) is for advanced high school swimmers who are proficient in all 4 strokes, starts, turns, and finishes. Emphasis in training is aerobic conditioning, preparation for short and medium events, and preparation for the high-school swim season. SS competitive season begins in September and ends in July. Expected training attendance is from September through July. SS swimmers are committed athletes who may have other athletic focuses outside swimming. Swimmers in this group are working towards JR/SR champs cuts, METROS cuts, and Long Course championship meet cuts.

Senior Elite (SE)

TOLL Senior Elite (SE) is for high school swimmers who are highly committed to the sport and aspire to swim at the collegiate level. Emphasis in training is aerobic conditioning, preparation for competition in events of all distances, and preparation for swimming at the collegiate level (Division I, II, or III swimming). SE competitive season begins in September and ends in July. Expected training attendance is from September through July. SE swimmers have swimming as their primary non-academic activity and are focused on qualifying for regional and national championship meets such as Junior/Senior Champs, Eastern Zones, Sectionals, and other national-level championship meets. SE swimmers are mature, committed swimmers who are expected to implement and follow a training plan, compete in all events, and understand the season-long commitment. Swimmers are selected for SE by the coach based on speed, skill, commitment to the sport, and maturity. Swimmers entering the group should at a minimum have JR champs cuts in several events.
