Orca Summer Swim Club 'Out of Town Registrations' Policy (revised 2018)

This policy has been created to both preserve the Lethbridge Orcas Summer Swim Club mandate of serving Lethbridge and area and to recognize that families have a choice in the coaching environment that they wish their child/children to participate in.

Club registration for Out of Town Swimmers* will occur at the same time as registration for new Lethbridge swimmers. There will be a grace period of 1 week to allow the registrants to be sorted and processed, at which time any Out of Town Swimmers will be assessed on a CASE BY CASE BASIS** by the Executive. Registrants will be assessed based on club population and group sizes.

*Out of Town Swimmers are applicants who reside outside of the Lethbridge County limits.

**Previously registered Out of Town Swimmers will be classified as 'returning swimmers' and will register on the returning swimmer night and therefore be exempt from any such assessment.

Please note: The Lethbridge Orcas Summer Swim Club reserves the right to refuse admittance to ANY family and further, reserves the right to expel any members not adhering to club rules or displaying behavior detrimental to the club.

Lethbridge Orcas Fundraising

Dear Parents,

For those of you who are new to the club, we extend a big welcome; and for those of you who are returning, welcome back!

Over the winter, there have been some changes made to fundraising activities in order to simplify things for our families. Listed below are your fundraising options. Please choose the option(s) that best works for you. Every family is different.

1. **Sponsor the Orcas:** For every family that finds a sponsor (minimum \$250) this will be considered their fundraising commitment and your cheque will be destroyed or returned to you. Any family with \$500 or more in sponsorships will receive a 10% reimbursement. Attached is the information and forms required for sponsors. Swimmers' names must be included with payment in order to receive the reimbursement.
2. **Casino:** 2022 is the Orcas' year to work a casino. This is a HUGE fundraiser for our organization and we need your help! We are scheduled for June 10-11. There are dayshifts (1pm-8-pm) that require 4 volunteers and nightshifts (8pm-4am) and require 5 volunteers. Sign-up sheet to follow.
3. **Bottle Drives:** An account has been set up with Ability Resource Bottle Depot so families can donate their bottles if desired. There will also be a couple of bottle drives throughout the season for families to participate in. Details TBA.
4. **50/50 Draw:** The Orcas will be selling 50/50 tickets again this year. Details to follow.
5. **Fundraising Buy-out:** Your \$250 fundraising cheque will be cashed.

For more information or any questions regarding fundraising, please contact Kathy Kremenik at (403-894-9155) or kremenikkat@gmail.com.

Thank you for doing your part to help the club,

Lethbridge Summer Swim Club Executive

We do require a \$250 fundraising commitment cheque which will be held until the end of the season. Once fundraising has been fulfilled your cheque will be returned to you.

LETHBRIDGE ORCAS SUMMER SWIM CLUB

Dear Sir or Madam,

Swimming is a lifelong sport that can be used to achieve personal growth and development. The Orcas are a non-profit organization that offers a swim program presenting this opportunity for children to experience. Participating in an organized swim program provides the opportunity for children to develop lifelong skills and children reap the benefits of swimming long after participation ends.

In an effort to support Lethbridge families, the Lethbridge Orcas Summer Swim Club has a longstanding goal of ensuring membership fees do not create a barrier to participation. In order to assist in achieving this goal, we are asking community members for support through sponsorship of our swim club. Sponsors will receive recognition on our website and social media pages. Lethbridge Orca Parents Volunteer Policy

Purpose: This policy is intended to regulate the volunteer requirements for member families, and to ensure that adequate volunteer support is available to meet the needs of the Swim Club throughout the swim season.

This policy will routinely be evaluated by the Board of Directors and may be adjusted throughout the swim season based on need. This policy outlines the minimum volunteer expectations for member families.

Like most youth sport teams, member volunteers are elected to the Board of Directors and oversee the administrative functions of the club. The team relies on member volunteers to assist with day-to-day operations and special events.

A typical two-day swim meet takes over 50 volunteers to run, and that does not include set-up and tear down, or other non-swimming meet activities outside of competition. A commitment from all member families is essential to make the meet or special event run as smooth and as fair as possible. When all families pitch in and help, no one individual or family will be over-burdened. Thank you in advance for your willingness to help make the Orca Swim Club a success!

Volunteer Requirements

Each member family will be required to fulfill a MINIMUM OF 10 HOURS of volunteer hours per family.

- To encourage parents to fulfill our team's responsibility to provide trained ASSA Swimming officials at meets we attend; the Board will ensure opportunities for officials training.
- Volunteer sign up sheets will be available at all volunteer opportunities, please ensure you sign in to have your hours counted.
- Families will need to hand in \$250 volunteer deposit in the form of **cheque on the first day of swimming, prior to your child entering the pool.** This will be handed back at the end of the season if requirement is met.
- Families will need to hand in \$250 fundraising deposit in the form of **cheque on the first day of swimming, prior to your child entering the pool.** This will be handed back at the end of the season if requirement is met.
- If requirement is not met, deposit will be used to pay hired officials, etc. that were secured to ensure events could continue.

Volunteer Opportunities include:

- Board Member volunteer
- Swim meets- officials, timekeepers, marshalling, hospitality.
