GABI JOHNSTON

MEMORIAL AWARD

Gabi Johnston was a coach and a swimmer in this league for over two decades. As a young woman she swam for, and coached Towamencin. Then, after spending time creating a family, she returned to coach Hatfield for more than a decade. Her primary goal as a coach was to instill a love of swimming, a dedicated work ethic, and a deep commitment to team. She encouraged everyone to make improvement the ultimate goal of each aspect of the sport.

This scholarship is awarded to a senior each year to honor swimmers that demonstrate this love, dedication, and commitment to the BuxMont Swim League just as Gabi did throughout her life. The award is presented in the form of a scholarship.

Past recipients of the award include:

2025 AWARD

HERE ARE SOME EXCERPTS FROM THIS
YEAR'S AWARD-WINNING ESSAYS:

”

... Since my very first year swimming, my dream job has always been to be a coach. As an assistant coach, I've been given the opportunity to give all of the athletes the same experience I've been fortunate enough to have and continue to find ways to have a lasting impact on their lives and the team itself...

”

... I have never been the fastest swimmer in the pool and that used to discourage me. During the summer when I was 14, ... my parents made my brother and I set goals to work towards that season. My goal was to make A Champs in the 50-yard breaststroke. I told my coach about my goal and he worked with me on my stroke. ...Near the end of the regular season, I met my goal by qualifying for A champs for the 50 breast and also the 50 free for the first time. I was satisfied with my swim season and learned the importance of setting goals and how a coach can have a positive influence on others...
