May 27, 2024/Vol. 001

## IMPORTANT INFORMATION

### A note from the coaches:

Hello Frogger Families! Please fill out the attached link if you would NOT like your child to be featured on the team's Instagram account. If you have any questions or comments about the team's Instagram profile, please contact Coach Katherine using the information found in the description of the Google Form.

**For all 11-12 parents!** Please share the attached playlist link with your children! The coaches are giving the 11-12s an opportunity to add music to this collaborative playlist for music that can be played during practice. Coaches will be reviewing the playlist for age-appropriate song selections to ensure that this is a friendly and positive addition to the team. If music becomes an issue or topic of discussion, we may revoke or adjust music privileges. Please let your children know that they can add non-explicit songs to the playlist to be played during the 11-12 practice. For any questions about this, please reach out to any of the coaches!
