

# FRANKLIN FARM FROGGER FLYER

June 4, 2023/Vol. 002

## IMPORTANT INFORMATION

Be sure to declare your swimmer for the second Time Trials by Thursday, June 8 at 11:59pm.

Time Trials on Saturday! On deck at 6:40am.

See "Upcoming Dates" for important Volunteer Signup information.

## Camp Lanes

The summertime can be very busy with not only Froggers events, but summer camps and school sessions as well. In order to assist 8 and Under, 9-10, and 13 and Over swimmers who may not be able to attend their later practices due to camps, school, etc., we offer a 'camp lane' during the 7:00am-8:00am 11-12 practice. There are a few things to know about the camp lane:

- The camp lane begins on the first day of morning practices at Still Pond (this year, June 19).
- The camp lane may only be accessed with permission from the coaches. A request may be filled out [here](#).
- The camp lane is not meant to be a replacement for normal age group practice. This is a limited and temporary option.
- The camp lane may only be used by a swimmer/family with a conflict due to camp, school, or similar activity.
- A swimmer may sign up for a maximum of one week. If other weeks are requested, please contact Coach Kyle (kpm5ar@virginia.edu) to be placed on a waitlist if spots become available.

You can purchase Frogger Bucks at various practices and home B-meet warmups. We accept cash and check payments for Frogger Bucks. Please write checks to "Franklin Farm Froggers".
