

The Golden Hills swim team is gearing up for another exciting season!

Please show support for your community swim team by being a swim team sponsor. The following options provide the opportunity for you to market your business or service to not only the Golden Hills swim team members, but also to competitor team participants, recipients of the Golden Hills Country Club newsletter and visitors to the Golden Hills website. Proceeds from our sponsors allow us to provide for a strong coaching staff and essential practice and pool equipment used exclusively by the swim team.

Dolphin  \$500
