

ZUMO BOYS & MENS SUIT SIZING:

Tips on how to size yourself:

Hip measurements are critical to accurately fit men and boy's suits.

For best results, follow these instructions:

HIP: Measure around the fullest part of your hips. Keep the tape horizontal to the floor.

In general a men's suit size is equivalent to your pant size.

ZUMO GIRLS & WOMENS SUIT SIZING:

Tips on how to size yourself:

Knowing your **torso length** really makes a difference in the fit of your ZUMO Girl's & Women's swimsuit.

For best results, follow these instructions:

BUST: Measure under your arms around the fullest part in front.

WAIST: Bend to one side to find your waist's natural crease. Then standing straight, make sure the tape fits snug but comfortably around.

CHEST: Measure around the fullest part of your hips, making sure the tape is straight around the body.

TORSO: Run a tape measure full circle from your shoulder at the neck, over the fullest part of your bust, down through the center of your crotch, and back to the starting point.
