## What's Happening with our BSC Family

### Dallastown @ BSC

The first meet of the season was a huge success! Bobcats defeated Dallastown Swim Club with a score of 603 to 366. The swimmers did an excellent job of watching the meet, telling deck helpers when they were leaving the deck, and cleaning up after the meet.

There were three new records broken this weekend:

- 9 - 10 Boys Medley Relay Team of Cole Prince, Colton Weaver, William Muller, and Chase Schaeberle with a time of 2:30.15
- 13 - 14 Boys Medley Relay Team of Kaidan Helmeczi, Barron Bishop, Adrian Castano, and Logan Brown with a time of 1:56.72
- 9 - 10 Boys Freestyle Relay Team of Aiden Grey, William Muller, Cole Prince, and Colton Weaver with a time of 2:10.66

Thank you to all of the volunteers that helped the meet to run smoothly. We absolutely could not do it without you!

### **Just a few reminders for meets:**

- Parents are not permitted to go through the locker rooms during the meet. If you need to see your swimmer, please come to the end of the bleachers and ask a deck helper to send your swimmer out to you.
- If you are donating non-perishable items, please bring those items to the pool by the **Thursday before** the meet. This allows snack bar set up to occur on the Friday evening before the meet. Perishable items should be dropped off at the snack bar by **7:00am** on the day of the meet.

**Pro Tip from Janet Evans**

“To be the best, you will need to make sacrifices.” Sometimes you will have to give up things along the way in order to achieve something bigger.

## Meet Coach Dan

I invite you to meet Coach Dan Schaeberle. Not only is Dan a BSC Coach, but he is Northeastern's High School Coach.

**Favorite Stroke:** Freestyle. In high school, I mostly swam 100 Free and 200 Free, but in college I swam everything from 50 freestyle up to 1650 freestyle, and even the 200 butterfly a couple of times. **Have you ever been disqualified?** The one I remember most was in the 100 IM in the York YMCA's Tournament of Champions when I was 9 or 10 years old. It was my first time ever swimming it. I don't remember why I got DQed. **Favorite swim memory:** All the friends I made. I'm still really good friends with Dustin Sheffer who is a third grade teacher at Conewago, and we met when we were 10 through swimming. **Best Advice to our Swimmers:** "Self-Discipline Breeds Excellence." The discipline you have with coming to practice everyday and practicing hard every day is what makes you successful when you go through high school, college, and when you get a job. Everyone has the opportunity to be average, good, or great. Some pick to be average swimmers, and chances are they will be average with everything they do in life, but the opposite is true of the swimmers that choose to be great and that is where the self-discipline comes in. **What do you do when you're not at the pool?** Well, I'm pretty much at the pool every day of my life, but when I'm not I like to run, watch sports on TV, go to the beach, and oh yeah, spend time with my family.
