LET'S MAKE WAVES TO FIGHT CANCER TOGETHER

Swim Across America is super fun and rewarding open water event (*with lots of distance options: 1/2 mile, 1 mile and 2 miles*) that raises money for cancer research and treatment at the Baylor Sammons Center at Dallas. This is the first time we've created a local team made up of our awesome Torpedoes swimmers, parents, and coaches, and our goal is to raise as much money as possible to help find a cure for cancer. The Dallas area swim event is September 14, but now is the time to register + to start fundraising.

SWIM ACROSS AMERICA
MAKING WAVES TO FIGHT CANCER

DALLAS OPEN WATER SWIM

Bridlewood Torpedoes

In our lifetime, 1 in 2 men and 1 in 3 women will be diagnosed with cancer. We joined the SAA community to find, together, we can change that. We are challenging ourselves by swimming in the Dallas Open Water Swim and raising as much money to fight cancer as we can. Please support us by sponsoring our swim and making a gift. The money you give will go towards cancer research, prevention and treatment and will make an impact in the fight to find a cure. Thank you for your generosity and may it lead to a cancer-free world!

You can make a credit card donation by clicking on one of the members of our team below; or send a check to Swim Across America Dallas, PO Box 822254, Dallas, TX 75382.

Check should be made out to Swim Across America but please include a note mentioning our team or the swimmer you are supporting!
