Foxy News

2024 Members: Active families from the 2024 season will have exclusive access to register until 8pm on March 15, 2025.

During this time, only active 2024 families will be approved to register for the season. No exceptions.

Registration will close at 8pm on March 15th for 2024 families.

Prior Members: If we have not reached 225 families by 8pm on March 15th, then on March 16th at a time TBD (depending on how long it takes to process the registrations thru March 15th) registration will continue to be open for our 2024 families. We will also open registration to previous members of the Fox Hollow Swim Club. This registration period will be from March 16th through April 1, 2025. During this time, there is no guarantee that 2024 families will retain a spot.

New Members: If on April 1st, we still have not reached our maximum membership allowance, registration will continue to be open for our 2024 families and previous members of the Swim Club however, we will also open registrations to new members.

Registration for membership will close for the 2025 season when we reach 225 families.

Swim and Dive Team Info

- For our swim and dive team families: As a reminder, all members of the Fox Hollow Swim and Dive teams must be members of the Fox Hollow Swim Club.
- Therefore, swim and dive team families should register for the Swim Club before registration may potentially close. Unfortunately, if you do not register for the club and we close registration for 2025, your swimmers/divers will not be able to be on the team. Registration for the swim and dive teams will continue to remain open for 2025 families even if registration for the club closes.
- To reiterate, the swim and dive team registration is only for those who are already registered for the club. Swim and Dive team registration can be completed at a separate time should you want to wait until closer to the start of the season to register.
