

Swim Meet Volunteer Sign-Up

General Information

- Swimmers must be declared the Friday before each meet by 5:00 p.m.
- Volunteers are needed at all meets, both home and away.
- Every family is required to volunteer for two positions, regardless of swimmer status. Ideally, we would like volunteers to spread out positions over the course of two meets.
- Please be aware that certain position requirements, particularly arrival and end times, may not coincide with your swimmer's meet schedule. Also, note that some positions will require your undivided attention for the duration of the meet, so please plan accordingly.
- Access to the volunteer sign up via Team Unify will be available **Monday 5/23 at 8:00 AM**. It is a first come first serve sign up.
