Feb 27 - Mar 1		Fairland Aquatic Center	PAC	A/BB/C	Marlins, JR, and SR
March 5-8		St. Mary's College of Maryland	MD	State Championship Cuts	14 & Under Qualifiers

Intrasquad Meets: While attendance is not required, these are highly recommended. I plan to make these team building experiences along with swimming. It allows all of our athletes to gather and mingle. There will be post-meet team dinners. It allows younger kids to race more often and build experience allowing them to go to USA Meets more prepared. I emphasize these meets for older athletes as well because it offers them the opportunity to experiment with race strategy and build confidence in longer events they may have limited opportunities to do throughout the year. The times will hopefully count as USA times again.

There is a Championship meet for all ages and all skill levels. Which meet(s) your swimmer will attend will be determined by the end of the last meet. Most swimmers will only attend one meet. However there will be a few of you that qualify for States for a select number of events and also attend Cherry Blossom Champs to do all the events.

I will assume that every swimmer is attending every meet unless they have declined attendance to the event on the team website. You will be responsible for entry fees if you miss the deadline. **To be clear... IF there is nothing input on the team website, I will automatically enter them and you will have to pay.**

LONG COURSE SAVE THE DATES: April 18/19. May 9th.
