

How to make the Brighton High School Swim Team

- 1. All swimmers must attend and participate in the tryout period for that school year (this year that will be October 2-5, 9-12 and 16-18, 2023. Practices from 2:45 p.m. until 4:15 p.m.
 - a. Prior to tryouts beginning, swimmers must register on the team website (brightonbengalswimming.com) and complete everything (other than the registration fee – this comes after making the team), including the physical, on the registermyathlete.com website.****
- 2. Tryouts will consist of different test sets to help rank the swimmers based on their swimming ability. This is only one of many factors in a swimmer making the team.**
- 3. At the completion of the tryout period, team members will be selected based on their swimming ability, their attendance, their punctuality, their teamwork, their attitude and on the training space available for the team.**
