Call to Order / Establish Quorum - Time 7:05 pm.
Minutes from the November meeting were approved.

Coach Matt:

Matt gave an update regarding removal of outdated/obsolete equipment from storage room. We still need to figure out a solution for the archival photos and trophies. We need to move items from Shed 2 to the conex box as the district will eventually collect that bin. There is ample space but there needs to be some decisions made about what needs to be kept vs. disposed of.

We have also purchased a chair storage system.

VP of GWP:

Pomai gave an update including date for banquet which is March 13th.
Popcorn sales raised over \$5,000.00

Noted that we are looking for more organization bins for the Snack Bar area.

Coach Jarrett:

Issues with balls getting damaged in Club Edison due to overly aggressive handling by players.

Catharine Hulsy has resigned and Francesca Campbell will take over as Secretary effective January 2024.

Our next meeting is scheduled to be held on Monday, January 8th at 7 pm via

Google Meet.

Tonight's meeting was adjourned at 8:15pm.
