### **LED Video Scoreboard Sponsorship Opportunities**

Thanks to Measure D, on January 27, 2020 the high school opened a brand new 14-lane pool with a state of the art 16' x 9' LED Video Scoreboard. This offers our region the best high school short course racing experience for both swimmers and fans alike.

The LED Video Scoreboard technology also allow us to offer Sponsorship Opportunities for Businesses looking to maximize the visibility and value for their dollars spent and for those Families looking to increase their charitable donations to the program.
