

2023-2024

MHS Swimming & Diving Registration Information

ATTENTION ALL **NEW** and **OLD** Swimmers and Divers – there are 3 steps to registering for the MHS Swimming & Diving Team:

1. **PARENTS** - Please go to our Team Unify website www.masonaquatics.com and register by clicking the **RED BUTTON** “**PARENT REGISTRATION SWIM & DIVE BOOSTERS**” button in the middle of the page, below the picture. **THIS NEEDS TO BE DONE ASAP.** You will first create a family account, and then add your athlete as a member. This site is maintained and supported by the MHS Swim & Dive Boosters and is the primary communication application used during the season. For athlete protection, all communications must go to both parents and athletes. It will contain our meet/practice schedules, social events and support the majority of our volunteer sign ups throughout the season.
2. **Final Forms** – May be accessed by either clicking the **GREEN BUTTON** “**Athlete Registration-MCS FinalForms**” in the middle of the team webpage or go to <https://mason.finalforms.com>. **ALL FORMS must be fully completed (including signed physical) prior to the first practice.** *Your student may physically deliver the completed/signed physical to the Athletic Office/Coach OR photograph/upload the completed/signed physical within FinalForms.* Once your student's physical is received by the athletic department, it will be put into FinalForms. **Make sure your athlete signs the forms as well.** Final Forms is maintained and supported by the MHS Athletic Department.
3. **PAY TO PLAY FEES** - Students participating in interscholastic athletics, grades 7-12, will be participating under a “Pay to Participate” plan. The participation fee for student athletes in grades 9 through 12 is **\$180 per sport**, per season, with no family cap. **Mark your calendar: Nov. 27th (estimate)– Dec4th** are the scheduled dates for **SWIMMING & DIVING** to pay their fees online via EZPay (<https://www.spsezpay.com/Mason>). We will send out a reminder as we get closer to that time. The delay on collecting participation fees is to ensure that the final team rosters are set for the season.
