

Sat HSL Champs @ The Arena Club

Arrival

All families/swimmers need to arrive through the side gate.
All swimmers must arrive in a suit ready to compete.

Address

The Arena Club
2304 Churchville Rd
Bel Air, MD 21015

Parking

Parking is located in the **Ashley's Furniture parking lot / Movie Theatre Lot**.
Feel free to drop swimmers/family members off at the top of the little side road.
There will be Parking Attendants to help you.

NOTE – *There may be a lacrosse or soccer game on the field. So, please avoid parking on the grass across from the soccer fields.*

Pool Deck Entrance/Exit

Please enter and exit through the side gate that leads to the pool deck, NOT the main entrance of the club.

The club will be closed when our session concludes, but locker rooms will remain available.

Team Seating/Chairs

*Please note the differences in seating vs a normal dual meet at the club!
I am confirming the numbers for our session, but the plan is for all teams to sit indoors on our sport court. In this case, families will not need pop up tents, but they will need chairs. Once final numbers are confirmed if any teams need to be outside, I will notify them, but everyone should plan on sitting inside.

New Block Toppers & Backstroke Wedges

We have brand new block toppers, and backstroke wedges! I would suggest swimmers get familiar with the blocks, and backstroke wedges during warmups.

OFF LIMITS

During the meet, please do not use any deck chairs, lounge chairs, or tables.
Please do not access the other pools
