

## Lake Linganore Dolphins (LLD) Registration and Fees

### Eligibility

The LLD is open to registration for children ages 5-18, as of June 1st of the current swim season. The family registering their child (or children) is **required to be a member of the Lake Linganore Association (LLA)**. Returning LLD team members (as of the 2018 season) who are not members of the LLA may continue as members **until the swimmer(s) leaves the LLD or ages out**. In accordance with the LLA, the total size of the team is limited.

### Registration

Membership recruitment occurs in the spring prior to each swim season:

Returning Families	New Families
Returning families may register returning swimmers and add new swimmers from their families via the registration website. The deadline for returning swimmer registration will occur fourteen (14) days after registration opens before it opens to the public.	New families may register new swimmers via the google form on the website. Swimmers will then be asked to come for evaluation on Tuesday May 27th at Oakdale Village Pool from 6-8pm. If the swimmer is successful registration will be completed then. Swimmers will be selected for evaluation in the order of their Google form submission until the team has reached capacity. The remaining registration requests will be placed on a waitlist, and families will be invited to register when a spot opens prior to the first swim meet.

## Fees

Fees associated with membership will be communicated through the team website:

<https://www.lakelinganoredolphins.com>, electronic communications, and approved social media platforms prior to registration for the upcoming swim season. Fees for the current season:

### 2025 Summer Season Fees

	Summer Team
<b>Registration (inc. t-shirt &amp; swim cap)</b> (per swimmer)  NOTE: There is a \$10 discount for each additional swimmer per family up to 5 swimmers	\$145
<b>LLA Maintenance Fee</b> (per swimmer)	\$30
<b>Volunteer Fee</b> (per family)  Volunteer checks will be collected <b>after registration</b> ; checks <b>must be received prior to the start of the first practice for returning swimmers. New families MUST submit their volunteer check upon registration following swim evaluation on May 27th.</b>  NOTE: Each family may earn back this fee by meeting the volunteer requirement	\$250  Summer Team: 3 jobs Pre-Team: 2 job

Due to limited spots on our roster (and an increase in interest in LLD swim team), all swimmers (returning or new) must have registered, submitted the required documentation, submitted the volunteer check, and paid in full prior to the first swim practice of the season to remain in good standing. Swimmers who are not in good standing will not be permitted to practice and will be removed from the LLD Swim Team to allow a waitlisted swimmer to join as determined by the Board.
