

## **Lake Linganore Dolphins (LLD) Volunteer Policy**

In addition to the standard registration fee, a separate \$250 volunteer check **must be received prior to your swimmers registration being completed**. Swimmers do not have a confirmed place on the team until the volunteer check is received. Due to an increase in interested potential members, the deadline to submit volunteer checks is Tuesday May 27th, 2025.

### **Volunteer Requirement**

- Summer Team: Complete a minimum of three (3) volunteer jobs per family
- Pre-Team: Complete a minimum of two (2) volunteer jobs per family

**(NOTE: for the Summer 2025 season, if adjustments need to be made to the volunteer duties, changes will be communicated to all families prior to the first swim meet via email)**

Families who meet the volunteer requirement will have their volunteer checks destroyed at the end of the season.

Families who fail to meet the volunteer requirement will have their **check deposited at the end of the season and may forfeit early registration for the following year**.

Volunteer checks must be received by the LLD Treasurer. Please allow adequate time if sending the check by mail.

I understand and agree to the Lake Linganore Dolphins volunteer policy. I understand that my swimmer(s) is/are not officially registered until my volunteer check is received by an LLD Board Member.
