19:07:42	From Cindy McGee (Communications) to All panelists	Agenda was attached to the Zoom meeting invite
19:15:01	From Katie McCaslin to All panelists	Insurance broker/insurance nerd here, Midlakes would be named in a suit in addition to the club where practice is held.
19:31:43	From Jonathan Alford	thanks, Katie. We are aware of that insurance issue, too. That drove much of the membership eligibility requirement a couple years ago.
19:40:10	From Michael Ketchum to All panelists	This data is great as it relates to young people. My concern, however, is that the government will come out with a "blanket" statement about recreation clubs, etc, irrespective of the age plot.
19:42:46	From Sally Leist to All panelists	Isn't this discussion all beyond the decision making ability of Midlakes? Won't we be making a go or cancel decision based on Governor and local officials decisions?
19:44:31	From Tanya Mertel to All panelists	A lot of that number is because of lack of testing
19:48:49	From Tanya Mertel to All panelists	I second

19:54:08	From SCOTT ROBERTSON to All panelists	It can always be "last minute" for provision of t-shirts etc. We can get screen printing done relatively quickly and everyone out there will be very hungry for work.....
19:54:35	From Jonathan Alford to All panelists	Yes...
19:56:53	From SCOTT ROBERTSON to All panelists	nice job Cathy!!
19:57:05	From Pauline Fox to All panelists	If Dive and Water Polo seasons start later, then is there an option for these sports to continue even if swim does not?
19:57:55	From Cathy Schwartz (Treasurer) to All panelists	I agree with your thoughts, Scott, about merchandising. We can see if anyone wants to take that on at a later date and when there is more certainty.

20:03:50	From SCOTT ROBERTSON	Laura - you are not referencing volunteer youth who assist with the lil' guys, are you? Thinking of swim team members who help manage the 5-6 yr olds
20:03:58	From Sally Leist to All panelists	Our coaches will need additional Lifeguard Recert courses. All current courses are cancelled with no Recert or Lifeguard Certifications classes available.
