

Merchandise Coordinator

This position would formalize the coordination and sale of T-shirts at the Championship meet. (Previously this role was handled by the club hosting A Champs - the generated revenue covered the KCAC rental fees). It is proposed that the League would take over the coordination and sale of T-shirts and pay the rental cost of KCAC directly. It is believed that the T-shirt sale revenue would cover that expense and allow for greater financial assistance for clubs hosting B Champs and Pre-lims. Rebecca Thornton has offered to continue in this role after doing a great job during this past season.
