

SNACK BAR CARDS

Again this Season, we will be implementing the Snack Card purchasing system for snack bar items at the pool. It seemed to help improve the ease of purchases, as well as, allowed our management to improve financial recording, and reduced the risks of having cash at the pool.

Members can pre-purchase these LSC snack bar cards at a 10% discount at time of membership registration. If this is not possible you can purchase with the manager during LSC operational hours.
You can purchase the cards with a check only payable to LSC.

Sample of Card. \$9.00 if purchased from your dues invoice.
