

The Seminole Splash

Shark Infested Waters on the Way

Only 46 days until the first Sharks preseason practice!

Registration for both swim and dive is now open, so hop on and make sure your swimmers and divers are signed up for the best season yet! If you have any questions, reach out to our registration coordinator

Genna Zenner. And don't forget about the first clothing order!

Preseason practices will be here before you know it! These practices are a great way to get to meet the age group coaches and get excited for summer as school wraps up! We will also be hosting our annual Swim and Dive Kick off Party on Tuesday June 3rd (no practice this day!).

Hear from our head coaches and meet your awesome planning committee, all while eating pizza and playing in the pool. Fingers crossed we can avoid a downpour this year!

At the start of the season we will also be holding new parent meetings for both swim and dive. This is the perfect opportunity to learn more about how team works and also ask any questions. Those new to swim and dive team can feel overwhelmed with all the "to-do's", so this meeting is a great time to get familiar with how the season and meets work.

Stay tuned for the official introduction our 2025 coaching staff! We have some familiar faces back for more fun, but we are also so excited to introduce some new Shark coaches to the family!

ATTENTION 15-18 SWIMMERS

All City is adding two new events just for you! In addition to the 100 Butterfly and the 200IM, All City will be offering the 50 Butterfly and the 100 IM.

This is an "either/or" option. Swimmers **cannot** swim *both* distances in the same stroke or IM; they must choose one.

ALL CITY CODE OF CONDUCT

The All City League is committed to providing a fun, safe, environment for the entire swim and dive community. While competition is part of any sport, it is important to remember that this is still a recreational league. This year, the All City Board of Directors has implemented an official Code of Conduct for both athletes and parents. It is important that we as Sharks actively keep all meets a fun and safe place for all. We ask that prior to the start of the season, you take time to review the Code of Conduct, including prohibited behaviors and consequences, with your athlete and entire family.

Swim and Dive **BUDDIES**

One of the highlights of the season that we always hear about is the Seminole Swim and Dive Buddy Program! In this program, two Sharks (paired by our coordinator) team up to encourage and support each other throughout the summer. You'll exchange positive notes and small treats at meets, cheer each other on during events, and pump each other up for All City! It's a wonderful way to connect with fellow Sharks you might not normally meet!

Our amazing Swim and Dive Buddy Coordinator, Cindy Grady, will be sending out a sign-up form with more details before the season starts. She'll match up the buddies, and the fun and support will begin!

Want to help coordinate the Swim and Dive Buddy program? Reach out to Cindy Grady at cbrandon07@gmail.com.

Apparel 101: A Quick Q & A

Q: Do I have to buy a team suit?

A: You do not, there is no requirement to have a team suit!

Q: Does my child have to wear a cap?

A: Swimmers do not have to wear a cap while competing. However, we do ask that if they plan to wear a cap that you purchase a Sharks cap! This is not only a way to rep the Sharks in the water, but also very helpful to our coaches!

Q: Do I need to add the shirt that every kid gets to my apparel order?

A: Nope! Those have already been paid for with your registration dues. Please make sure your child's shirt size is updated in Team Unify, orders will be based on those sizes. FYI, these will also be the shirts we will have the kids wear for the team photo! If you would like that shirt for yourself or another non-swimmer, you will have to add it to your Simply Swimming Order.

Q: What if I can't make it to Fit night?

A: Not a worry! You can go in to Simply Swimming at any time and get fitted for the team suit!

Q: What if I missed the first order?

A: We will have a second apparel order when summer starts!

Q: Can I order shirts for myself?

A: You know it! We love to see a crowd full of Sharks gear at meets and around the town!
