

The Seminole Splash

Senior Sharks and So Much Fun

It's hard to believe we are already through the 4th of July! Why do Seminole summers go so fast?

The good news is, we have SO much fun coming up! The next two weeks will be jam packed, so make sure your calendars are updated!

This week we have the **Swim-A-Thon** (get your donations in!), our first ever **Sharks Vintage Clothing Sale** (go dig up your old Sharks gears), and a **home meet for dive and swim**! Then next week all our swimmers have the chance to participate in fun invites (**13 & Up Sunset Relays** and the **High Point Invite**). Then one of the most fun days of the year- **NOAH'S ARK**! But before we hit up all the waterslides, we will have our all **team photo** at the pool! Please have your swimmer/diver wear their green team shirt they got at the start of the season!

It's hard to believe that we are hosting our *final* home swim meet of the season this coming Saturday! While dive will have one more home meet, we want to take a moment and recognize all of our Shark Seniors. **Gabriel DeWald, Carsten Zenner, Davin Knudsen, Maddi Moll, Cat Arnold and Katie "Squishy" McClure**- thank you for all your years as Sharks! We are going to miss you all so much! And a big thank you to their parents for all the years and early mornings they have dedicated to our team! The Sharks team is what it is because of these families!

Now let's get out there and make it the best July at Seminole yet!

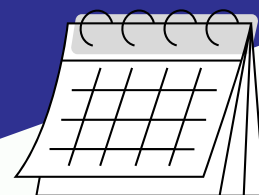

Go Sharks!

NOAH'S ARK

Need to knows

Noah's Ark with the Sharks is by far one of the most exciting days of the summer! This team tradition is a great way to bond with everyone outside of the pool! There is nothing sweeter than seeing a boat full of Sharks screaming out our team cheers on the Flash Flood!

Everyone will meet at the pool by 7:00 AM on Thursday morning for our team photo! If you are signed up to take the bus, make sure you are ready to board at 8am. *The bus will leave by 8:30am, if you are not there in time it will leave without you*

If you are not taking the bus, please plan to meet at the Kahuna Ticket Booth at 9:45 to receive your ticket. The park opens at 10am!

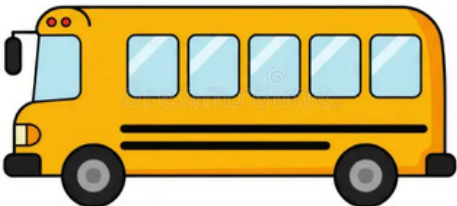

BUS RIDERS

Latest Departure from Seminole: 8:30AM

Latest Departure from Noah's Ark-home: 3:30 PM

Arrival back at Seminole: ~4:30 PM

We have had bus riders "decide" to not take the bus home and stay with friends. For safety reasons, this is not allowed unless arranged *beforehand* and communicated to Kaitlin Leibhold.

If your child is signed up to take the bus to and from Noah's Ark, it will be the parents responsibility to make sure their rider knows departure times! The bus will leave Noah's Ark AT 3:30pm sharp! Please have your rider BE AT THE BUS BY 3PM so they do not miss it!

If your child is not at the bus by 3:10pm, we will call you so that you can help find your child. If they are not at the bus by departure time, you will be responsible for arranging alternate transport for your child.

Sharks "home base" this year is at the Kahuna Shelter/Pavillion! This is located by the Big Kahuna Wave pool! Please note this is a different/larger shelter than the past 2 years! This is a great place for everyone to put their stuff down and also where lunch will be served at 12pm!

Lunch provided to those who purchased tickets through the Sharks at 12pm!

Seminole Sharks Vintage Clothing Sale!

SATURDAY, JULY 12TH DURING

DO:
Secretly try to stick pins on teammates or other swimmers without them noticing.
If you find a pin on yourself or your belongings, pass it on by pinning someone else.
Have FUN, and encourage your teammates and opponents to do their best!

YOU A STAR

Make waves

Have you noticed a lot of clothes pins hanging out at meets this summer? Have you seen your Shark sneakily trying to put a clip on a friend? Perhaps you've come home and found a clip on you!

Some call this "Getting Clipped", others call it "Pinning", but everyone calls it fun!

"Getting Clipped" refers to the practice of attaching a decorative clothespin with a positive message to someone, often a teammate or another player.

The goal is to build team camaraderie and foster a supportive and encouraging environment amongst the Sharks AND opposing teams.

To make sure everyone is in on the fun, we will be selling "Clip Kits" during our home swim meet this Saturday! These kits will include everything your Shark needs to make fun positive pins to clip their friends!

All proceeds from these kits will go to Second Harvest!

Just keep swimming
