## **Mission Statement:**

The Tracy Triton Swim Club provides training and competitive opportunities for recreational swimmers of all abilities to reach their individual and team goals; emphasizing character, sportsmanship, team unity and family participation. Coaches provide challenging, positive, fun and rewarding experiences for swimmers and families.

## **About the Tritons:**

The Tracy Tritons Swim Club is a recreational team that swims April 1<sup>st</sup> through late-July. The goal of our team is to provide every member an opportunity to improve their swimming skills and achieve success at his or her level of ability from an individual as well as a team standpoint.

The Tracy Tritons compete within the Mid-Valley Swim League (MVSL). The league consists of six teams: Ripon Sea Lions, Manteca Dolphins, Turlock Sea Dogs, Modesto Mavericks, Discovery Bay River Otters and the Tracy Tritons. Our meets consist of dual-meets with two teams, tri-meets with three teams, and Invitational swim meets where all six teams are competing.
