

HIGHLAND POOL ALCOHOL POLICY

Highland Code of Ordinances section 6-10 prohibits the consumption of alcohol on the grounds outside of the fence (because that ground is owned by the Sharpshooters) unless the alcohol is purchased from the Sharpshooters because they hold a liquor license. This is the same rule that would prevent you from BYOB to a bar.

Section 42-104 and also city policy prohibits the consumption of alcoholic liquors on city property (area within the fence).
