2025 Sponsorship Opportunities

Dear Prospective Sponsor,

On behalf of the River Run Raptors Swim Team, I am reaching out to you with an exciting opportunity to support local athletes and drive traffic to your business.

The River Run Raptors is a non-profit summer swim team that has been a source of fun, competition, and friendships for ours and neighboring subdivision's children and their families for years. As part of the Naperville Swim Conference (NSC), our team fosters a safe environment where our swimmers can develop essential life skills such as teamwork and sportsmanship while exercising and having fun.

Your contribution ensures that our team continues to reach as many children as possible and to provide the coaching and equipment necessary to help these swimmers exceed their goals. In return for your generous support, your business will receive valuable exposure not only to our Raptor families, but also to the 400+ homes in our subdivision and the many families of visiting swim teams from subdivisions all over Naperville.

I've attached information on the different levels of sponsorship. We also welcome food and prize donations if that works better for your organization. I hope you'll join us in supporting these amazing athletes this year. Please feel free to contact me with any questions or to sign up.

Sincerely,

Dana Barnett
