

NCSL COMSTOCK 2017 CHAMPS

Dear Comstock Families,

I hope you are recovering from this fun and eventful weekend. It was filled with many fast races, lots of smiling kids, broken records, a lot of sunshine and laughter around the pool. Our Comstock Championship meet is the biggest meet of our Swim League with 945 swimmers from age 3 to age 19. It takes many volunteers to make a meet of this size happen. Thank you for all of your help. The full meet results are listed on our webpage under the Comstock Championship tab. Thank you for your patience while we worked through some uncommon technical challenges on Saturday.

Special THANKS:

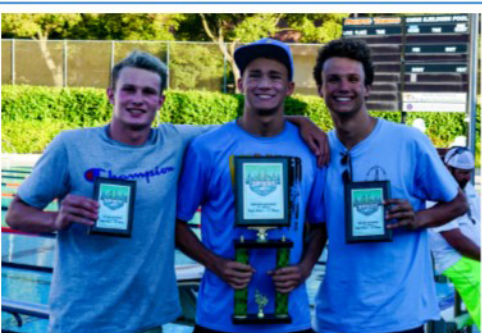

Each meet relies on a few very dedicated people that work nonstop around the pool. These are our most experienced volunteers. A special thanks to our meet referee **Dave Daniels**, who worked both days providing fair swim competition, our announcing team of **Jeff Nauertz**, **Michael Marks** and **Dave Hoggart**, the computer leads **Jeff McHugh**, **Ashok Penumalli** and **Jocelyn Chavez** and Colorado expert **Kevin Depies**. Many judges, starters and timers picked up additional shifts.

Some interesting numbers:

Being involved with our program is very rewarding and we are always looking for volunteers who would like to help on the league level. You do not have to have experience on your team's board. Please reply to this email if you would like to explore options on how to get more involved.
